Agreement

I agree that my information will be entered into Commuter Services' Ridematching Database and used to match me with potential carpoolers or vanpoolers and other commuter related services, based on their proximity to my home or work address and work schedule. I understand that others will receive similar information regarding my commute choice (excluding my street number) and may contact me to form a carpool or vanpool, and that my information will not be provided by Commuter Services to outside marketing agencies. I acknowledge that participation in a carpool or vanpool is an individual decision and that I am responsible for my operation or participation in a carpool or vanpool. I acknowledge that it is my responsibility for determining, from any names provided, the suitability of others to be in a carpool/vanpool with me, including but not limited to background, driving history, and roadworthiness of vehicles. The Florida Department of Transportation, its contractors, or Commuter Services shall have no responsibility or liability for any claims, expenses, or damages resulting from any individual's participation in a carpool or vanpool. I may choose to be removed from the Commuter Services Ridematching Database at any time upon my request. I understand I must be 18 years old to participate in this program.

A service of the Florida Department of Transportation, serving the 12 counties of Southwest Florida: Charlotte, Collier, DeSoto, Glades, Hardee, Hendry, Highlands, Lee, Manatee, Okeechobee, Polk, and Sarasota.

Commuter Services provides free assistance to help you share a ride today! Call toll-free 1-866-585-RIDE! or visit www.CommuterServicesFL.com

CARPPOOLING

We can match you with people who live and work near you, commute at the same time and are interested in sharing a ride. Commuter Services can take the guess work out of finding a carpool partner. Our online database makes finding a match easy. Simply fill out the attached application, or visit our Web site: www.CommuterServicesFL.com, to submit your data online. We will never share your information with outside agencies, so you can ride worry free.

VANPOOLING

Ride a vanpool and turn commuting time into productive time! Read, catch-up with work, or just sit back and relax! Vanpools are "super" carpools with 5-15 people who share a ride and commuting costs to and from work in a commuter van. Call Commuter Services for details.

TRANSIT INFO

Southwest Florida has more than 10 different transit agencies available to serve you. We can provide you information on any of these great services, and help you connect to a new way to work. Our staff can also help establish a pre-tax transit program for your employer, to make it easier to ride.

CALL CENTER

Commuter Services will help you get all the information you need to get around the region more easily. Our staff members have the information you need on carpooling, vanpooling, how to connect with the transit system nearest you, and more. Our Call Center can answer your questions and provide you with information on how to take the stress out of your commute. Commuter Services staff provides bilingual information in English and Spanish.

COMMUTE ALTERNATIVES

If you currently drive by yourself, you could start saving more time and money, by finding a new way to work. Choosing a new commute can help you lower your fuel costs, save on vehicle wear & tear, and lower your stress levels, when you can spend less time behind the wheel. Commuter Services can help find the commute alternative that works for you, whether carpooling, vanpooling, or even walking or biking to work.

EMPLOYER SERVICES

By working with your employer, Commuter Services can help establish a customized commuter benefits program for your worksite. Find out if a compressed work week, staggered schedule, or new telework program are a commute solution for your company. Contact your Human Resources department and tell them about Commuter Services.
